

Pro Style Kickboxing has more to offer than any run of the mill Martial Arts School. The club is affiliated to B.K.C British Kickboxing Council, W.P.K.A World Pan-Amateur Kickboxing Association and W.U.M.A World United Martial Arts Federation. Pro Style Kickboxing offers many courses including Self Defence, Control and Restraint, PSKB Syllabus & Weapon Training. All courses are exclusive to members only.

Beginners are only taught the basics of Martial Arts along with light exercise for fitness. You **do not** have to be fit to join as we gradually do that for you and Martial Arts training can help with weight reduction as well as toning up your body. Personal self-protection is a major part of our training; competition training is optional and is separate.

There is a student code of conduct to adhere at all times and this will be expected of you, but our classes operate in a relaxed and friendly manner. You will also be pleased to hear that there is no foreign language to learn.
